## Casualties

### FOREWORD

This listing contains data available on all military personnel who were killed or died, or became and remained missing during the Korean War, and includes both battle and non-battle dead or missing.

As in any work of this scope, errors will occur, although careful checking and proof-reading have reduced these errors to a minimum.

No civilians are included in this report. Red Cross personnel and other civilians serving with the Army became casualties during the war, but procedure for reporting civilian personnel differs from that for reporting military individuals.

The lists which follow contain information as to individuals in the following order: name, Army service number, grade and status of casualty. A word of explanation of symbols used follows:

**GRADE:** This is synonymous with the misnomer "rank", and the abbreviations which may be found in this book are as follows: GEN, General (four star); LT G, Lieutenant General, (three star); M G, Major General (two star); B G, Brigadier General (one star); COL, Colonel; LT C, Lieutenant Colonel; MAJ, Major; Capt, Captain; 1 LT, First Lieutenant; 2 LT, Second Lieutenant; C WO, Chief Warrant Officer; WOJG, Warrant Officer, Junior Grade; M SG, Master Sergeant; 1 SG, First Sergeant; T SG, Technical Sergeant; S SG, Staff Sergeant; SGT, Sergeant; CPL, Corporal; PFC, Private First Class, and PV2, Private.

**TYPE OF CASUALTY:** This is indicated by the symbol at the far right of each column. An individual who was killed in action, whether at the front or by enemy action in the rear areas, or if a prisoner of war, whether by air bombardment of his prison camp or by being shot while escaping, is designated "KIA". Persons who were wounded and later died are marked "DOW"--died of wounds. Those who suffered fatal battle INJURIES as opposed to WOUNDS, in combat or in combat areas, and died in a line-of-duty status, are designated "DOI"--died of injuries, and "DIE"--captured, died non-battle. Other line-of-duty deaths, such as from sickness, homicide, suicide or accidents, outside combat areas (including training and maneuver deaths) are listed "DNB"--died, non-battle. Individuals who were determined to be dead under Public Law 490 are designated "FOD"--finding of death. Missing persons are marked with the single letter "M".

Only those persons who died in a line-of-duty status are listed herein. Individuals who were not in line of duty at the time of their deaths are not listed.

It should be pointed out that this listing is published solely as a public service and in response to demands from interested persons.
